

## STOP LYING

The U.S. Government loves to brag that it has abolished slavery. That couldn't be farther from the truth. The U.S. LIMERS the use of slavery. Read the 13<sup>th</sup> Amendment to the U.S. Constitution:

Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.

So, just like the title of the new t.v. show:

Orange is the new black.

Time is the great ally of the liar because when lies are repeated long enough, the truth fades and is forgotten. Then the lies become the truth.

are a slave! Along with more than 2.3 million other U.S. prisoners.
